

Q1: what beaches/where are loggerhead turtles nesting in each of the specified regions.

Q2: what are the avg. nesting #s per region?

histogram/
flipped axes

Q3: change in loggerhead Turtle nesting trends per region (use mann-kendall score) (1974-2023)

Same order as viz 2 for consistency.

- add points/change transparency to see clustering
- add a gradient color to line to indicate Δ .
